The Ohio Civil Rights Commission administers compliance with this law.

**Notice to Wisconsin Residents:** (1) No provision of any marital property agreement, unilateral statement under Section 766.59, or court decree under Section 766.70 will adversely affect the rights of the Credit Union unless the Credit Union is furnished a copy of the agreement, statement or decree, or has actual knowledge of its terms, before the credit is granted or the account is opened. **CONSENSUAL SECURITY INTEREST**

You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you have given in your shares and deposits. You may withdraw these other shares unless you are in default. When you are in default, you authorize us to apply the balance in these accounts to any amounts due. For example, if you have an unpaid credit card balance, you agree we may use funds in your account(s) to pay any or all of the unpaid balance.

By signing or otherwise authenticating below, you are affirmatively agreeing that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest. You acknowledge and agree that your pledge does not apply during any periods when you are a covered borrower under the Military Lending Act. For clarity, you will not be deemed a covered borrower, and your pledge will apply, if: (i) you become obligated on a credit transaction or establish an account for credit when you are not a covered borrower; or (ii) you cease to be a covered borrower.
